READ THIS INFORMATION LEAFLET CAREFULLY BEFORE USING MULTI-GYN FEMIWASH AND KEEP IT FOR REFERENCE

Multi-Gyn FemiWash - for a mild, soap-free and caring intimate hygiene

- Soap-free washing emulsion for external use in the intimate area
- Extremely mild, safe and non-irritating
- pH-balanced, no perfume, no preservatives
- Based on the patented zQR-complex

Application:

Multi-Gyn FemiWash cleanses and refreshes the intimate area. It is extremely mild, safe and non-irritating even for the most sensitive tissue. FemiWash is ideal for your daily intimate hygiene. It is soap-free and pH-balanced with respect for the natural flora.

Directions for use:

Press the pump-foamer to apply some concentrated FemiWash on your hand. Gently spread the foam over the intimate area and rinse with water. FemiWash can also be used for other sensitive parts of the body. The unique formula of Multi-Gyn FemiWash leaves your skin feeling as soft as silk.

Composition:

Extremely mild formula. Contains natural substances and lactic-acid. Does not contain perfume, soap or irritating substances. pH-balanced.

Without preservatives.

Ingredients:

Aqua, Glycerin, Aloe Barbadensis extract, Laureth-10, Sodium Laureth-11 Carboxylate, Glycereth-2 Cocoate, Sodium Cocoamphoacetate, Sodium Lactate, Lactic Acid, Caprylyl Glycol, Panthenol, Galactoarabinan Polyglucuronic Acid Crosspolymer*.

*zQR-complex: patented bio-active polysaccharides
